Over the Kings Birthday Long weekend the Darwin Rifle Club is holding the following events in place of the cancelled Kings Prize.

Saturday and Sunday 06 and 07 June.

Open Prize Meet:

Cost: \$50 entry fee includes Range Fee, Entry Fee, BBQ dinner on Sunday evening

2 convertible sighters with 10 shots to score at all ranges - 84 rounds required not including any "optional sighters".

Saturday - 300, 400, 500, 600 meters (we are a metric range).

Sunday - 700, 800 and 900 meters.

Sunday evening will be the Presentation and BBQ dinner (If you have any dietary needs - please advise ASAP).

Monday 08 June

Long Range Match

1000 meters (yes we have a 1 km range)

Auto entry if you paid your entry fee for the OPM

If you have not entered the OPM then our normal range fee of \$5.00 is applicable

2 convertible sighters with 15 shots to score over 2 details - 34 rounds required not including any "optional sighters".

As our HEXTA targets do not have a 1000m target - we will utilise the 900m target face for some "added fun" 😊
Presentation shortly after completion of match.

We have limited powered caravan/camping sites - these will be heavily discounted to **\$50 for the week** (noting people will likely arrive early and depart later than the competition days). There are full amenities including laundry onsite.

We still have a small number of interstate shooters who are attending - so we are looking forward to meeting up with friends, both old and new.

This event has been given the "tick of approval" from both NTRA and NRAA competition governing bodies.

"Both the NRAA and the NTRA support the conduct of the DRC to hold their OPM in lieu of the NTRA Kings Prize over the dates previously allocated to the former event".

The Darwin Rifle Club committee thanks the NTRA and the NRAA for their support.

Looking forward to seeing all who attend.

David Mickel
